William Poe

Congratulations- I just spent a half hour scrolling your POE web site. You've got lots of info I don't have.

My 3rdgr gf was Calvin Poe, 2nd grgf was Major James Thomas Poe(county judge of Saline Co, AR until civil war started) was legislator two different times in Columbia Co, AR after war.

Have all of his descendants from several of his children.

Send me your address and will mail to you.

Hugh Hyman, Jr.

Our branch of POEs went to Columbia Co, AR after civil war , then to Eastland Co, TX in 1890s after indians removed (still there). Only my great grandmother (married Zenos Park, he name Mary(Polly) Poe stayed at Columbia/Lafayette Co border area(west side).
